## Advisory on Travel Plan

- 1) All students should only travel overseas under permissible prevailing MOH's travel advisory.
- 2) Students must update the school through the Form Teachers of their plans to travel to countries/regions approved in the MOH travel advisory. Please refer to ICA website : <https://safetravel.ica.gov.sg> for details.
- 3) Actual time spent overseas may be limited if travellers need to adhere to Singapore's requirements for entry (e.g. time to serve SHN) as well as travel requirements in the country of travel.
- 4) Stay-Home Notice (SHN) may be issued upon return to Singapore and will be chargeable at an SHN Dedicated facility.
- 5) Individuals may need to bear the cost of mandatory travel insurance and unsubsidized healthcare for COVID-19 treatment in case of infection upon return, if applicable.
- 6) In case of changes in travel restrictions by Singapore or other countries, there is a risk that students may not be able to return in time for the start of the school Term.

7) International Students (Student's Pass/ Dependent's Pass holders) and their accompanying family members (if eligible) are required to apply for and obtain entry approval from the Safe Travel Office (STO) to re-enter Singapore;

- (a) Student's Pass (STP) Holders are to obtain approval via the SafeTravel application portal (<https://eservices.ica.gov.sg/STO>) at least two weeks before their intended travel date, and up to five weeks in advance.
- (b) Dependent's Pass (DP) holders are to obtain entry approval from MOM through their parent's/guardian's employer.
- (c) Travellers who are unable to secure their desired period of entry in the SafeTravel application portal are advised to check for new entry periods the following week, or defer their travels until the situation has stabilised.
- (d) STP holders are advised to check the SafeTravel website (<https://safetravel.ica.gov.sg/stpl/requirements-and-process>) for the most updated border measures, as well as requirements and processes for entry application.  
DP holders may check <https://safetravel.ica.gov.sg/wphl/overview>. If assistance is required, they may also call the SafeTravel Enquiries Helpline at 6812 5555, or write in to <https://go.gov.sg/sto-enquiry>.
